Ahmed Abdelfattah Ali Ahmed

Curriculum vitae

Phone: 00201061837260

E-mail: ahmed.abdelfatah@fsed.bu.edu.eg
ahmedabdelfattah2010@yahoo.com

Address: El-Zahery Street. Atreeb Benha, Kalyobiya, EGYPT

Date of Birth: February 4, 1976

Education:

- 2007 Ph.D. Food Sciences and Technology, Faculty of Agriculture, El-Azher University, Cairo, Egypt. " TECHNOLOGICAL AND BIOCHEMICAL STUDIES ON SOME GAMMA IRRADIATED OIL SEEDS VARIETIES"
- 2001 M.Sc. Food Technology, Faculty of Agriculture, Benha University, Egypt. "EFFECT OF GAMMA RADIATION AND SOME TECHNOLOGICAL TREARMENTS ON PROPERTIES OF SESAME SEEDS AND ITS PRODUCTS"
- 1997 B. Sc. Food Sciences and Technology, Faculty of Agriculture, Benha University, Egypt. (Very good).

Work Experience:

- 2022- Present Professor of Food Sciences and Technology, Faculty of Specific Education,Benha University.
- 2014- 2022 Associate Professor of Food Sciences and Technology, Faculty of Specific Education,Benha University.
- 2013-2014 Assistant Professor of Food Sciences and Technology, Faculty of Specific Education,Benha University.
- 2009 - 2013 Lecturer of Food Sciences and Technology, Nuclear Research Center, Egyptian Atomic Energy Authority, Egypt.
- 2008 - 2009 Lecturer of Food Sciences and Technology, Agriculture Co-Operation, MINISTRY OF HIGHER EDUCATION, EGYPT
- 2001 – 2006 Agriculture specialist of food irradiation , Plant Department, Nuclear Research Center, Egyptian Atomic Energy Authority, Egypt.

- 1999 – 2001 Offered a Scholarship from Authority Scientific Research and Technology, Egypt.
- 1997 - 2001 trainer of food irradiation, Plant Department, Nuclear Research Center, Egyptian Atomic Energy Authority, Egypt.

Research Interests:

Food Safety, Food-borne Diseases, Food Spoilage, Food irradiation, Food microbiology and Food chemistry.

Teaching Experiences:

Food analysis, Food preservation, Food microbiology, Food nutrition, Food control and Food legislation

Research Experiences:

Investigation the chemical (Aflatoxin, vitamins, antioxidants, fatty acids and amino acids), physical, biological and histological aspects of plant oils meat, fish bakery and milk products.

Skills:

- Computer skills: Microsoft Office-Power Point- Word – Excel
- Languages: English-Very good written and spoken.
  Arabic-Mother tongue
- Verbal skills-communication skills-creative-problem solving

Publications:

1- Aly, A. A., Abusharha, A., shafique, H., El-Deeb, F. E., & Abdelazeem, A. A. (2023). Effects of Adding whole Barley Flour to Bread and its impact on Anti-obesity Action of Female Rats fed a High-Fat Diet. Arabian Journal of Chemistry, 105438. doi:https//:doi.org/10.1016/j.arabjc.2023.105438

25- Ahmed A. Aly *; Nasr, E.H.; Shaheen, A. M. and Essam, M., Sallam* (2013) Evaluation of yield and physicochemical properties of some lupin (Lupinus sp.) mutants induced by gamma radiation. Isotope and Radiation Research, 45 (2), 401-414. https://inis.iaea.org/search/search.aspx?orig_q=RN:45050003

26- Ahmed A. Aly (2012) Effect of gamma irradiation on sesamol contents in sesame seeds and their coats. Isotope and Radiation Research, 44 (2), 463-476.

Previous Experience:

Experience in the following areas:

1. Food irradiation treatment.
2. Identification of irradiated foods.
3. Food microbiology.
4. Detection of mycotoxins in food and its products.
5. The effect of gamma radiation on antioxidants, fatty acids, and amino acids in food.
6. Operating food analysis devices:
    1. High Performance Liquid Chromatography (HPLC)
    2. Super Critical Fluid Extraction (SFE)
    3. Atomic Absorption
    4. Flame Photometer
    5. Spectrophotometer

Research Projects:

- Participated in the student participation project for producing safe, healthy food at the Department of Home Economics, Faculty of Specific Education, Benha University, starting from 17/2/2014 for a duration of nine months.
- Principal Investigator of a research project titled "Using Nanotechnology to Produce Surfactant Compounds and Their Application in Foods."

International Peer Review and Conferences:

- Peer reviewer for ISI & Scopus journals:
    1. Heliyon (Elsevier)
    2. Biomass Conversion and Biorefinery (Springer Nature)
    3. Cogent Food & Agriculture (Taylor & Francis)
    4. Agronomy Research
    5. 4th International Conference on "Food Microbiology and Food Market," held during March 20-21, 2019, in New York, USA.

Training Packages Implemented:

1. Training package for the "Food Sampling Techniques" program at Dubai Municipality, UAE, held from 28-29/11/2016.
2. Training package for the "Foodborne Disease Investigation Skills" program at Dubai Municipality, UAE, held from 24-26/2/2025.
3. Training packages for capacity building of faculty members at Benha University: "International Publishing – Competitive Projects – Scientific Research Marketing."
